WHY WE LOVE THIS BUY!

Good Morning Peachy Buy Moms!

To celebrate the launch of Peachy Buy, our good friends at Me, Myself and Us are giving Peachy Buy subscribers a very special holiday gift!

Today you will be able to get a voucher for a FREE holiday cookie baking kit tin, regularly valued at \$10! Limited quantities are available and this offer is limited to one baking kit per household.

Each kit is beautifully packaged in a tin container and includes cookie mix, decorating supplies, such as sprinkles or glitter, and a cookie cutter. All you need is a few basic ingredients like eggs or butter.

Tis' the season to make special memories as a family, and these kits, from distributors Me, Myself and Us, promote creative, fun, educational and quality-time bonding experiences.

Hanukkah is a holiday filled with tradition. Cooking and baking are a big part of the celebration. Create beautiful Dreidel cookies with the Hanukkah Cookie Baking Kit. The Hanukkah

Reviews

There are so many teachable moments in baking and such great conversation, followed by lovely anticipation for the sweet treat at the end ... The reality is that we are often not prepared enough to have a stress free activity with our kids. That is why Mamapicks is really excited about Crafty Cooking Kits that are new to the Canadian market. They include EVERYTHING you need to bake with your kids. All you add is eggs, water and oil.  
[www.mamapicks.com](http://www.mamapicks.com)

With the help of these new Crafty Cooking Kits, making (holiday) themes goodies will be more than simple baking - you'll

kits are Kosher, Pareve and nut-free.

Or, gather the family around the kitchen and make festive Christmas cookies with the Christmas Tree Cooking Kit or the Snowman Cookie Kit.

Either way, the sweet smells of holiday will fill the air. You know what else? Cookies taste even yummier when they're FREE!

Your voucher will be valid STARTING Wednesday November 24 to December 8, 2010 ONLY.

Cookie kit pick-up is at Kurtz Orchards at the Promenade Mall in Thornhill, where you can also find beautiful and tasty holiday presents from jams and honey, to wine jellies and gift baskets. When you're picking up your free treat take a look at their amazing selection!

Several different varieties of kits are available so please redeem early for the greatest selection.

Have fun baking, decorating and eating moms!

promote imagination and learning. Kids can practice math related skills (by measuring), and language and comprehension skills (by reading kid-friendly directions and following instructions). It's also a great way to spend quality time with your kids! [www.toronto4kids.com](http://www.toronto4kids.com)

There's something for everybody ... You've got it all in these kits! Jacqueline Betterton and Jeff Moore, Daytime TV
