HEY KIDS!
MORE Movies,
MORE Fun! P.70

Top games, crafts and puzzles

Crafting Fun Kit – \$12.99

Recommended age: 8 to 11

Crafty kids can explore all kinds of art projects using this kit that's packed with fun! It comes with a "Craft Idea Guide," which offers loads of ways to turn the buttons, pipe cleaners, foam sheets, pom poms, and other supplies into sweet works of art.

Redakai Championship Tin – \$34.99

Recommended age: 7 to 11

Becoming a Kairu warrior is an easy journey with this tin, that comes fully equipped with 43 cards, a deck holder, a battlefield, and a card screen. Your boys will be hooked on Redakai in no time!

www.redakai.com

Qwirkle – \$24.95

Recommended 7 to 11

It sounds simple, but it's not: match the shapes and colours to build rows and columns out of wooden blocks. Qwirkle is a fun, family game requiring plenty of thought and strategy.

www.mindware.com

Lego Heroica – \$19.99

Recommended age: 8 to 12

Heroica is a new series of exciting games that can be played separately or combined into an even greater adventure! Boys especially will love to build and explore, using the new heroes, monsters and treasure.

www.lego.ca

Crafty Cooking Kits – \$19.95

Recommended age: 5 to 10

Perfect for parties, these sweet cooking kits let little bakers create their very own delicious treats from scratch, featuring a variety of beautiful themes, including butterflies and princesses.

Connect 4 Launchers – \$24.99

Recommended age: 5 to 12

This game will have your kids screaming with laughter as they launch their chips through the air, aiming to produce four-in-a-row. It's challenging (and addictive) fun!
